

Digital Wallet for Commuting Expenses

Benefits that keep up with your lifestyle

You now have the option to skip the swipe at checkout. Add your Inspira Card® to your smartphone's digital wallet for a fast, secure, and savvy way to pay for eligible transit expenses from the Inspira pretax accounts you're enrolled in. It's a simple way to make the most of your Inspira benefits.

How it works

Use your digital wallet anywhere you'd use your Inspira Card that accepts contactless payments.* You can tap to pay using your smartphone for eligible products or services covered by your specific Inspira benefits. At commuter terminals that offer tap and go, commuter benefits accountholders can use their digital wallet.

If you use an Apple® or Samsung® device, simply add your Inspira Card to your digital wallet and enjoy a smarter, more secure way to pay. Visit your mobile device's website for more information on what you need and to ensure your device is supported.

*Acceptance of digital wallets varies by merchant and location. Users can continue to access account funds through their physical card if digital wallets are not accepted.
